\$875 per eye for Traditional LASIK

\$1,280 per eye for Custom LASIK

Financing available for qualified members

The International Brothers of Electrical Workers Local 292 has a preferred pricing plan for laser vision correction through a network of Board Certified Ophthalmologists. QualSight LASIK surgeons in the network have collectively performed over 1.1 million surgeries using FDA approved technologies. With over 450 locations nationwide, please call for a provider near you!

To take advantage of the preferred pricing, please call **1-877-507-4448**. QualSight Care Managers are available to answer your questions, provide a telephone screening to determine eligibility, and schedule an exam. QualSight LASIK surgeons are experienced, board-eligible and have been credentialed using NCQA standards.

After a pre-operative appointment has been scheduled, the Care Manager collects a refundable deposit of \$310 which will go toward the cost of the procedure (*the deposit is fully refundable should you decide not to have the procedure for any reason*). Balance of payment is due at the time of the surgery. However, by utilizing one of the flexible financing options the refundable deposit is waived.

Included in the total cost is your pre-screen appointment, the procedure, all post-operative appointments, and a one-year retreatment warranty.
