

The I.B.E.W. Local 292 Health Care Plan's Board of Trustees invites Active, Retired Members, and their spouse, covered under an I.B.E.W. 292 Health Care Plan, to participate in a "super physical" through **Health Strategies**. The physical will be paid for 100% by the Plan. To help encourage participation, the Trustees have approved a credit of \$100 for a single or up to \$300 for a member & spouse that will be applied to the following year's deductible. This is a huge benefit for you as a participant, and the I.B.E.W. 292 Health Care Plan!
