

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, contact the Plan Administrator at (763) 493-8830 or 1-800-368-9045, or visit [www.ibew292benefits.org](http://www.ibew292benefits.org). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>For <a href="#">network providers</a>: <b>\$100</b> Eligible Individual/<b>\$300</b> Family per calendar year*.                      For <a href="#">out-of-network providers</a>: <b>\$400</b> Eligible Individual/<b>\$1,200</b> Family per calendar year.                      *Certain <a href="#">out-of-network claims</a> are treated as <a href="#">in-network claims</a> (see page 2) and count toward the <a href="#">in-network deductible</a>.</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Network provider</a> injections, some <a href="#">preventive</a> care, online care, retail clinic care, wig benefit, mental health and chemical dependency medication management, COVID-19 <a href="#">diagnostic tests</a>, and <a href="#">prescription drug</a> benefits are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>For <a href="#">network providers</a>: <b>\$1,500</b> Eligible Individual/<b>\$4,500</b> Family per calendar year.                      For <a href="#">out-of-network providers</a>: <b>\$3,500</b> Eligible Individual/<b>\$10,500</b> Family per calendar year.                      *Certain <a href="#">out-of-network claims</a> are treated as <a href="#">in-network claims</a> (see page 2) and count toward the <a href="#">in-network out-of-pocket limit</a>.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>
<p><b>What is not included in the <a href="#">out-of-pocket limit</a>?</b></p>	<p><a href="#">Premiums</a>; <a href="#">balance-billing</a> charges; <a href="#">copayments</a>; <a href="#">coinsurance</a> for prescriptions, dental and orthodontia services, vision care, and routine exams; and health care this <a href="#">plan</a> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a>.</p>
<p><b>Will you pay less if you use a <a href="#">network provider</a>?</b></p>	<p>Yes.* Please visit <a href="http://welcometouhc.com/uhss">http://welcometouhc.com/uhss</a> for a list of participating <a href="#">providers</a>.                      *<a href="#">Out-of-network providers</a> may be treated as <a href="#">network providers</a> for <a href="#">cost-sharing</a> purposes for <a href="#">out-of-network emergency services</a>, <a href="#">out-of-network providers</a> at <a href="#">in-network</a> facilities, and <a href="#">out-of-network air ambulance costs</a> for emergencies.</p>	<p>This <a href="#">plan</a> uses a <a href="#">provider network</a>. You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a>. You will pay the most if you use an <a href="#">out-of-network provider</a>, and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays (<a href="#">balance-billing</a>). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.</p>

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
